SESAM LIBERTY

made of natural aluminium EAN number : 5 701972 154412

Special

- 1) The opener has powerful closing springs (see above) which ensure good panel closing.
- 2) The connection between opener and panel is easily released to allow manual operation of the panel
- 3) Standard fitting on right-hand side viewed from the inside, but panels can also be supplied for left-hand side fitting.
Left-hand type must be ordered separately by applying to us!!
